## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 1, 3, 6-13, 15, and 18-30 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art either alone or in combination doesn't teach the limitation of "displaying the Internet site search menu on the screen of the television, wherein a channel number has a one-to-one correspondence to a title of an Internet site, and the one-to-one correspondence remains fixed until user modification, and wherein the channel number range destination window includes a plurality of displayed groups of channel numbers, each displayed group having a prescribed range of channel numbers, which is different for each displayed group, and the channel numbers arranged within the channel guide window correspond to the prescribed range of one of the displayed groups that is selected by the user, wherein the Internet site search menu further includes a channel update selection window for periodically updating the video and audio information of the Internet site corresponding to the channel number desired by the user ,among the channel numbers" in combination with the other claimed features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
